

Are you an Indigenous woman interested in a STEM teaching career?

The Stronger Smarter Institute, through the Prime Ministers and Cabinet's Indigenous Girl's STEM Academy will be launching the Teachers of STEM Initiative. The Institute will be supporting Indigenous women to successfully complete a STEM teaching qualification. The role that you can play in influencing future generations of Indigenous women is immeasurable

What is STEM?

STEM stands for Science, Technology, Engineering and Mathematics. STEM in education can be applied across all subject areas and is about using a range of skills to investigate the world.

Education in STEM must provide Australia with both expert practitioners and a knowledgeable and receptive community.¹

What interests align with STEM education?

If you are interested in the following you could excel in a STEM teaching qualification:

- ▶ Fishing
- ▶ Bush walking
- ▶ Crafting
- ▶ Cooking
- ▶ Networking
- ▶ Plants
- ▶ Tinkering
- ▶ Technology
- ▶ Animals
- ▶ Drones
- ▶ Photography
- ▶ Family
- ▶ Sports
- ▶ Gardening
- ▶ Art

Who can access this support?

If you are any of the following you can register interest with the Stronger Smarter Institute for a support in achieving STEM teaching qualifications.

- ▶ University Student
- ▶ Community Member
- ▶ Indigenous Education Worker
- ▶ Primary School Teacher
- ▶ Degree Holder
- ▶ Secondary School Teacher

Aboriginal peoples and Torres Strait Islander peoples have been applying STEM thinking for millenia, and continue to do so today
